W. C. T. U. Parlor Meeting Take the 2.30 car for the West Side Vednesday afternoon and attend the 7. C. T. U. meeting at the home of rs. George H. Strouse, 27 Conneil

ure at Slater Half Saturday Night "Carrying On," the progress of the war by land and by sea, is the title of the new lecture to be given by Major Ian Hay Beith, who will be remembered as the most successful war lecturer of the spring and as the author of the widely read "The First Hundred Thousand."

Thousand."

Major Beith has but recently returned to the United States after spending several months on the other side, visting the battle front, the American army, under General Pershing; the British fleet and the American ships at sea. He has taken a large number of interesting pictures which will be used to illustrate his talk and in this he was aided by the British foreign office, under whose auspices he is appearing.

Major Beith, whose books have had a tremendous sale since the publication of the successful "First Hundred Thousand." is about to issue a new one to be called "All In It"—an account of the activities of the allied forces.

Proceeds will go to war relief.

Owing to the unusual demand for workers of all kinds caused by the war, the United States civil service commission is having great difficulty in supplying the needs of the departments and offices at Washington, D. for typewriter operators and for nographers and typewriters, and its sasked the woman's committee of council of national defense to asist in bringing to the attention of comen throughout the country an op-ortunity for them to help the govern-

portunity for them to help the government in a practical way.

Women are urged to undertake this on the grounds of patriotism in exactly the same spirit that has moved them to attend classes in first aid nursing that is, the spirit of helpfulness. A working knowledge of typewriting may be gained in from one to two months; stenography, of course, takes much longer; but typewriter operators as well as stenographers and typewriters are in great demand. All who pass the examinations for the departments and offices at Washington are practically assured of certification for appointment at salaries ranging

This is a vital need of the government. Women are not prepared to take up arms in defense of the country, but they can perform this office work, without which the organization of the armed forces would fail.

### BREED THEATRE.

Alice Joyce and Harry Morey in "Her Secret," Feature For Today and To-

Suppose you were the secret mother of a pretty little girl six years old who you hadn't seen since she was a tiny baby because your wealthly husband was ignorant of her existence and you feared to lose his love by a confession. And then—when you were able to bring the little daughter into your home as an adopted child what joy would be yours This is forcefully portrayed in the six part feature photoplay. "Her Secret," starring Alice Joyce and Harry Morey which is the feature attraction at the Breed theatre today and tonight. Never before has Alice Joyce offered her hosts of friends a more human, sympathetic characterization than in "Her Secret," while Harry Morey is seen to excellent advantage. The supporting cast consists of many Vitagraph favorites, Pearl White will also be seen in "The Fatal Ring," and the latest war news in the eHarst-Pathe weekly will complete the bill.

While film producers have been busy with many subjects far afield and dealing with remote historical or imaginary subjects William Fox in his new play, "The Honor System," has gone to the homes and hearts of the people for a vital theme. This spectacular ten-reel production will be shown in this city Wednesday, Thursday, Friday and Saturday at the Auditorium. It deals with the hife of the average man, but with the big vision that is characteristic of true art.

Today, Madge Evans in "The Little Duchess," also a good comedy and Travelogue.

# CONSTIPATION

A reliable laxative is necessary to the comfort and health of any well-ordered household, because constitution is a condition that affects, in greater or less degree, practically every member of the family. When the bowels refuse to act the entire system is affected; digestion is impaired, nerves begin to twitch, foul gases and poisons generated by decomposing substances in the intestines are distributed throughout the body, and often result in serious illness. A prominent French scientist says ninety-five percent of all human disease is directly traceable to inactive bowels.

Hore than a quarter of a century ago Dr. W. B. Caldwell prescribed a combination of simple inactive herbs with pepsin that is now the standard remedy in thousands of homes. This prescription is sold by druggists for fifty cents a bottle, under the name of Dr. Caldwell's Syrup Pepsin. A trial bottle can be obtained, free of charge, by writing to Dr. W. B. Caldwell, 456 Washington St., Monticello, Illinois. arge, by writing to Dr. idwell, 456 Washington cello, Illinois.

A resolution has been unanimously passed at Dunbar urging the government to introduce legislation in order to provide for an adequate contribution to the navy.

If you have catarrhal deafness or head noises go to your druggist and get 1 ounce of Parmint (double strength), and add to it 1/4 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times day. This will often bring quick relief This will often bring quick reflet from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucous stop gropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has catarrhal deafness or head noises should give this prescription a trial. For sale by Lee & Osgood.
